

Thanks for buying Yash-COK Super Files and pre-ordering them
The official price for the files is 40\$

WARNING : If Anyone Gave the files for FREE to anyone he will not receive any update. And I can know who uses my files So please be advised.

The files include :

MYSQL Protection

Troops level 11-12

How to install server guide

Special goods

Rewards file

Buildings level 36

Events Guide (Daily Event, Dark Knight And the Guardian)

Public Console *

New Unhackable Console *

(Full lord research, Full alliance science, full lord skill points and full lord Skills)*

*These are Exclusive Rewards for pre-ordering the Files

Don't forget to try my mod 😊
